Students may receive undergraduate credit from the Missouri University of Science and Technology for successfully completing any of the PLTW Biomedical Sciences courses. Students must have taken the PLTW courses in high school, have an 80 percent average (B) or higher in the classes, and score a **70 percent or higher** on the PLTW end-of-course college-credit exams, and/or have a **stanine score of 6 or higher** for each class. If grades are assigned by semester, rather than by course, the two semester grades will be averaged. Credit will be awarded for the first year biology electives in the S&T curriculum listed below. Each course is 3 credits. The fee is \$250/course. The fee is only refundable if requested within the academic year in which the credit was granted. Students are encouraged to contact their prospective university to see how the credit would transfer.

Legal Name in Full		
Last	First	Middle
