Due to COVID-19 Virus, EOC scores are waived for 2019-2021 courses.

Students who have taken two high school Project Lead The Way Engineering courses (*listed below*) are invited to use this form to apply for three hours of credit for the Missouri S&T Mechanical Engineering 1720 course (Mech Eng 1720) required for all Missouri S&T freshman engineering students. Students must have taken two of the PLTW courses in high school, have a (B) or higher in the classes, and have one of the following scores for each PLTW class: stanine score of 6 or higher, and/or a raw score or equivalent, or an End-of-Course assessment that earns an achievement level descriptor of "accomplished" or distinguished." EOC scores are waived for 2019-2021 courses. The fee is \$200. Students are encouraged to contact their prospective university to see how the credit will transfer. A grade of EX is assigned for MECH ENG 1720 credit.
