Students may receive undergraduate credit from the Missouri University of Science and Technology for successfully completing any of the PLTW Biomedical Sciences courses. Students must have taken the PLTW course(s) in high school, have an A or B in the class, and have a stanine score of 6 or higher on the end-of-course exam. If grades are assigned by semester rather than by course, the two semester grades will be averaged. Credit will be awarded for the first year biology electives in the S&T curriculum listed below. Each course is 3 credits. The fee is \$250/course. Students are encouraged to contact their prospective university to see how the credit would transfer.

Legal Name in Full _____				
Last _____	First _____	Middle _____
