**RE:** Advising Week Instructions for Fall and Summer 2021

During the period of March 15 - 19, students returning for the 2021 Fall and Summer semesters are to meet with their advisors to select courses. Faculty are encouraged to use S&Tconnect for scheduling advising appointments with students. For questions concerning S&Tconnect scheduling, please contact Rachel Morris at [rachelm@mst.edu](mailto:rachelm@mst.edu) or x7600. Or, faculty may still utilize the attached form and post it on or near your office door so that the students you advise will be able to schedule a time to meet with you. Be sure to block out any times on this schedule that you will not be available in your office.

Students can access the Schedule of Classes through Joe'SS and pick up an Advising Agreement form along with a priority registration information sheet from the Registrar's Office starting Tuesday, March 9.

Advisors will need to remove the Advising Hold from their advisees. This access is available in Joe'SS under the Advisement Center.

It is suggested that each undergraduate advisor become familiar with the current pass/fail regulations before attempting to enroll a student for the pass/fail grading option. The general pass/fail rules are contained on page 8 of the current Student Academic Regulations. The Student Academic Regulations can be found at [Student Academic Regulations](#).

In general, undergraduates are not permitted to enroll for 6000 level courses. However, undergraduates may earn credit towards the bachelor's degree for courses normally taken by the first-year graduate students (5000 level courses.) Students are eligible to enroll if they are enrolled in an honors program or have a cumulative grade point average of 3.5 or better and has the necessary prerequisites for the course to be taken.

If any student is planning to take part of his/her last sixty hours at another college, please inform that person of the Last Sixty Hours Waiver form, and the approval needed to process this form. This form is available in the Registrar's Office.

Please remind all degree candidates who might finish by December to notify the Registrar's Office by Tuesday, September 14, of their intent to graduate.
